GlassRatner Advisory & Capital Group LLC is a multi-office specialty financial advisory services firm providing solutions to complex business problems such as managing through a business crisis or bankruptcy, planning & executing a major acquisition or divestiture, pursuing a fraud investigation or corporate litigation. The firm has a 10-year track record of successfully assisting its clients with difficult situations. Since the crash in the Real Estate segment, the firm has advised lenders and borrowers on more than **\$20 Billion** face value of debt related to a variety of asset classes including multi-family developments, home builders, foreign resorts, light commercial developments and student housing properties. GlassRatner Management & Realty Advisors LLC, a related company, is a full service national Receiver and Property Manager with a focus on disputed, distressed or difficult to manage assets. GlassRatner has acted as Manger, Receiver, CRO or Fiduciary for assets in approximately 15 states with a total value in excess of **\$2 Billion**.

Ian Ratner, one of the founders of the firm, is a CPA with 20 plus years experience in Public Accounting, Forensic Accounting, Business Valuations, Due Diligence Services, Corporate Finance and Bankruptcy Consulting. Mr. Ratner has spent his entire career helping clients resolve non-typical business challenges.

Ian has a national reputation as a financial advisor and has led complex and high profile assignments in various jurisdictions. He is currently leading a number of work-out assignments on behalf of bank groups and borrowers related to commercial, condo and multi-family debt, investigating the finances of a recently completed luxury condo-hotel project and running the wind down of a Billion dollar hedge fund. Ian has been appointed as a Liquidating Trustee, Special Master and as a Receiver in various jurisdictions, including the High Court of Anguilla related to the disputed ownership of various investment funds. Ian has a leadership role in many of the firm's significant assignments including the firm's work on behalf of the FDIC. Ian is an accomplished public speaker and recently co-authored a Wiley Text called Business Valuation and Bankruptcy. Ian has testified on dozens of occasions in State, Federal and Bankruptcy Court.
